## Friends 4 Recovery

February 2008 from

[www.facesva.org/pdf/articles/friends\\_4\\_recovery\\_feb2008.pdf](http://www.facesva.org/pdf/articles/friends_4_recovery_feb2008.pdf)

FACES has been privileged to host Friends 4 Recovery, a consumer support group, for over a year at St. Marks United Methodist Church. Enclosed is a Needs Assessment Survey prepared by Friends 4 Recovery. The purpose of the survey is to assess what **consumers and other** stakeholders in the mental health field believe are the five most important factors that would promote and maintain recovery for consumers. For your information, stakeholder categories are listed at #7 in the demographic section of the survey. **You may copy this survey if both you and your family member wish to complete it. We hope you and/or your family member will take the time to fill out this survey to help this vibrant group continue their mission of Recovery.**

The information obtained on this survey will be discussed at the Focus Study Group which will meet on the regular Friends 4 Recovery Support Group night, the third Friday in February, 2008.

### ***Friends 4 Recovery is conducting a Focus Study Group***

Please join us for pizza and refreshments and find out about our plans for opening a Wellness and Educational Support Center. Our goal is to find out if you feel you are receiving quality recovery based services. The focus study group will take place at **St. Marks United Methodist Church FACES building (the brick house on right side of church) 11601 Lucks Lane Midlothian, VA 23114 on February 15<sup>th</sup> from 6:00-7:30.** Please register by leaving a message with Tammy Barry at (804) 605-9231.

**Your opinion counts. Please join us.**
