We hope that you have been enjoying watching FACES grow. Now we need your help to keep it happening.

Many of the jobs can be accomplished in a couple of hours a month and can be done at home at your convenience. There are one time and seasonal opportunities as well as those ongoing jobs which may require more time but are so fulfilling that you will wonder where the time went.

- **Social activities assistants:** the first of a number of activities is to make cupcakes or treats for the upcoming social at Central State (Sunday 2/11/07). The patients and staff look forward to the special activities which we have been providing and The FACES participants find these events both fun and rewarding.
- **Volunteer coordinator:** Track volunteer time and keep them informed of projects which might be of special interest to them.
- **Bulk Mailing and newsletter preparation**
- **Newsletter:** Monitor activities which would be of interest to go in the newsletter. Collect articles of interest, book or movie reviews. Proof read articles.
- **Grants and Foundation Writing:** Explore new possibilities, locate and write grants.
- **Fund raiser and events planner:** Work on Annual event at Swift Creek Mill. Gather items for Silent Auction and explore new ideas for fund raisers.

Perhaps you have a skill or talent which you would like to share that you don't see here. Just because it is not listed does not mean it is not needed. Please contact us with your ideas and share your skills.

Call and leave your name and number at 804-271-2712 and we will return your call so that you can join us in an exciting new year of growth.
